Dear School Guidance Office,

The Jay's World Childhood Cancer Foundation Inc., was established in March of 1997. It's purpose is to raise funds to benefit children afflicted with cancer and to help support the fight against childhood cancer.

One way that we are helping children and their families is by awarding a college scholarship to help with their college education.

To be eligible for this scholarship the child must be either cured of cancer, in remission, or still undergoing treatment and they must be able to attend college this fall. Furthermore, they must be a graduating high school student in the spring of 2009 and a New York State resident.

The child must complete the attached application in it's **entirety** and return it with the following:

1. An official high school transcript
2. A letter from their oncologist stating the diagnosis and year(s) treated.
3. A copy of **parents current 2008 1040 tax form.**

All of the above must be submitted no later than **April 15, 2009** to be considered for this award. **Incomplete information on application or the failure to include all of the above information will disqualify the applicant.** All finalist will be expected to meet with the Scholarship Committee before a final decision is made.

Please mail all of the above to
Jay's World Childhood Cancer Foundation, Inc.
P.O BOX 351
MEDFORD, NEW YORK 11763
