Change the lives of children with cancer with each step you take on September 17, 2005. A three mile walk in Mineola, New York will allow you to walk along side a cancer survivor whose life has been changed by Jay's World. Take this opportunity to not only create change, but encourage those who are stricken with this devastating disease.

It is our mission, the volunteers and directors of the Jay's World Childhood Cancer Foundation Inc., to raise funds to benefit children and help support the fight against childhood cancer. We are dedicated to see that all that can be done is being done and that no child succumbs to the disease due to a lack of support. This is our pledge and to this end we are committed. All proceeds of this walk support the Jay's World Childhood Cancer Foundation, Inc. Scholarship and Winthrop-University Hospital in Mineola, NY.

Walk with us on the 17<sup>th</sup> to support the fight against childhood cancer. Become a team leader, create a team name and walk together. Each team member submits a separate entry form.
